Will McCoubrie

Designer & Maker

I am a 21 year old Male, who has graduated with a Bachelor of Design at ANU. Adventures, challenges and new experiences are what I live for and I have a passion for hobbies like snowboarding, bouldering, board games and travel. I enjoy the process of all making and anything deisgn related, especially taking projects from concept development through to final delivery. I am very eager to take on new challenges, skills and solve complex problems. Ultimately, I am aiming to develop my skills in the design industry and gain a foothold towards a rich career of design, creativity and problem solving.
